

# 2008 Maine Tree Farmers of the year Larry and Edith Park

Sponsored by the Maine Tree Farm Committee at the Park Tree Farm  
32 Echo Lake Road  
Presque Isle  
Saturday, August 9, 2008  
9:00am to 3:00pm

Come for a day of touring the Park Family Tree Farm and see what Tree Farming is all about.

Everyone interested in forest management is invited to THE PARK TREE FARM in Presque Isle. There will be demonstrations of spring pole cutting and of a farm made portable sawmill and a farm made solar drier. There are 17 years worth of growth records for hardwood. There are cross country trails, and a lean to, used in cooperation with the State Park, and a leach field used in cooperation with the Echo Lake Camps. Foresters on hand for tours of the tree farm. Are you smarter than a fifth grader, multiple choice quiz. Wildlife, basal area demo, plantation trees, Lots of stuff going on.

For more information, contact Larry or Edith Park at 764-0582.

Located in Presque Isle at 32 Echo Lake Road off Route 1  
Look for the forestry signs
